

# UPHOLSTERY FABRIC COLLECTIONS

## EDITORIAL

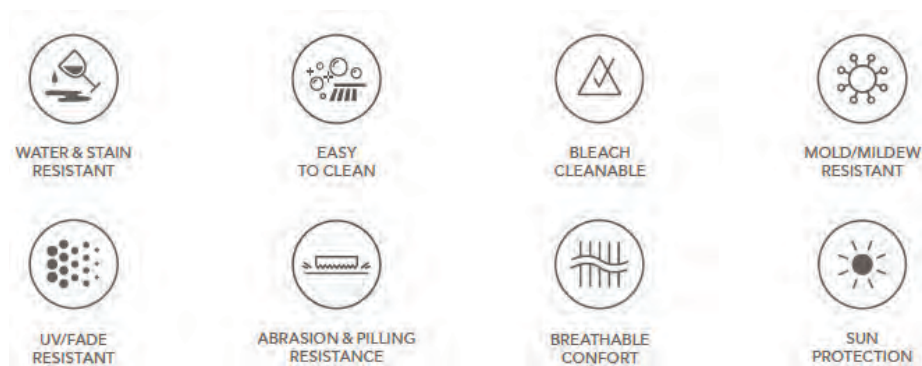

Wij van Matras Factory brengen decennia lange ervaring voor de productie van maatwerk comfort voor binnen- en buitenruimtes. We gebruiken de meest hoogwaardige producten om design, comfort en performance te waarborgen. In dit slagwerk vind u onze huidige Sunbrella® Collectie.

De collectie is geïnspireerd op de laatste trends en omvatten een breed scala aan textiel in levendige kleuren en pasteltinten, geometrische patronen en verfijnde effen tinten.

## DESIGN, EN NOG MEER..

De stoffen van Sunbrella® voegen schoonheid en persoonlijkheid toe aan elke binnen- of buitenruimte. Ze zijn uitsluitend geweven met in de massa geverfde garen voor een gegarandeerde kleurechtheid tegen UV-straling. De beschermende afwerking tegen vlekken maakt ze verbazingwekkend makkelijk schoon te maken.

## SUNBRELLA® GEPIGMENTEERDE GAREN

De hoogwaardige Sunbrella-pigmenten dringen (wanneer het acryl nog vloeibaar is ) tot diep in de garen door tijdens de productie. De Sunbrella-garen en stoffen behouden hierdoor bijzonder goed het uiterlijk, de weerstandseigenschappen en kleurechtheid.

De stof is niet te vergelijken met gewone stoffen, die eenvoudig aan het oppervlak worden geverfd door het garen of de stof te dompelen.

# ONTZETTEND MAKKELIJK TE ONDERHOUDEN

Het leven kan het onverwachte momenten opleveren, maar het hoeft uw dag of uw meubels niet te verpesten. Wanneer u voor de Sunbrella®-prestatiestoffen kiest, krijgt u volledig presterende duurzame en vlekbestendige stoffen die gemakkelijk te reinigen zijn. Wanneer er wordt gemorst of geknoeid, kunnen Sunbrella-stoffen snel en gemakkelijk worden schoongemaakt, zodat u weer comfortabel en zorgeloos kunt leven.

Voor specifieke informatie  
over schoonmaken, bekijk de schoonmaakkaart hier  
[SUNBRELLA.COM/CLEAN](https://www.sunbrella.com/clean)

## ODYSSEY - ***Bahia***

Terug naar de basis met een uitnodiging om te reizen.

Een mix van kracht en authenticiteit, de nieuwe collectie van Sunbrella omvat een reeks van meer dan 200 ontwerpen om te combineren en aan te passen naar uw behoeften voor binnen- en buitenruimtes, en dat met karakter.

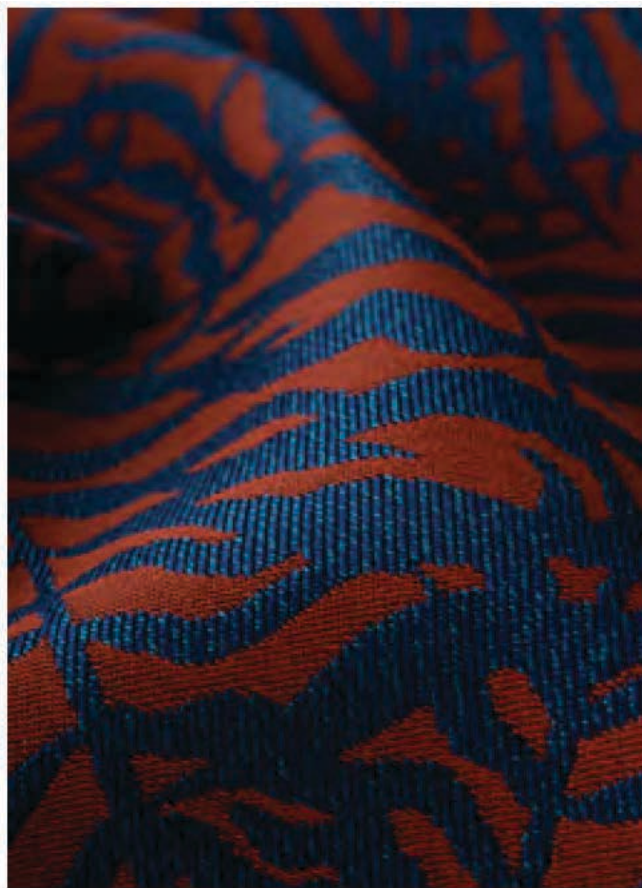

## IKEBANA

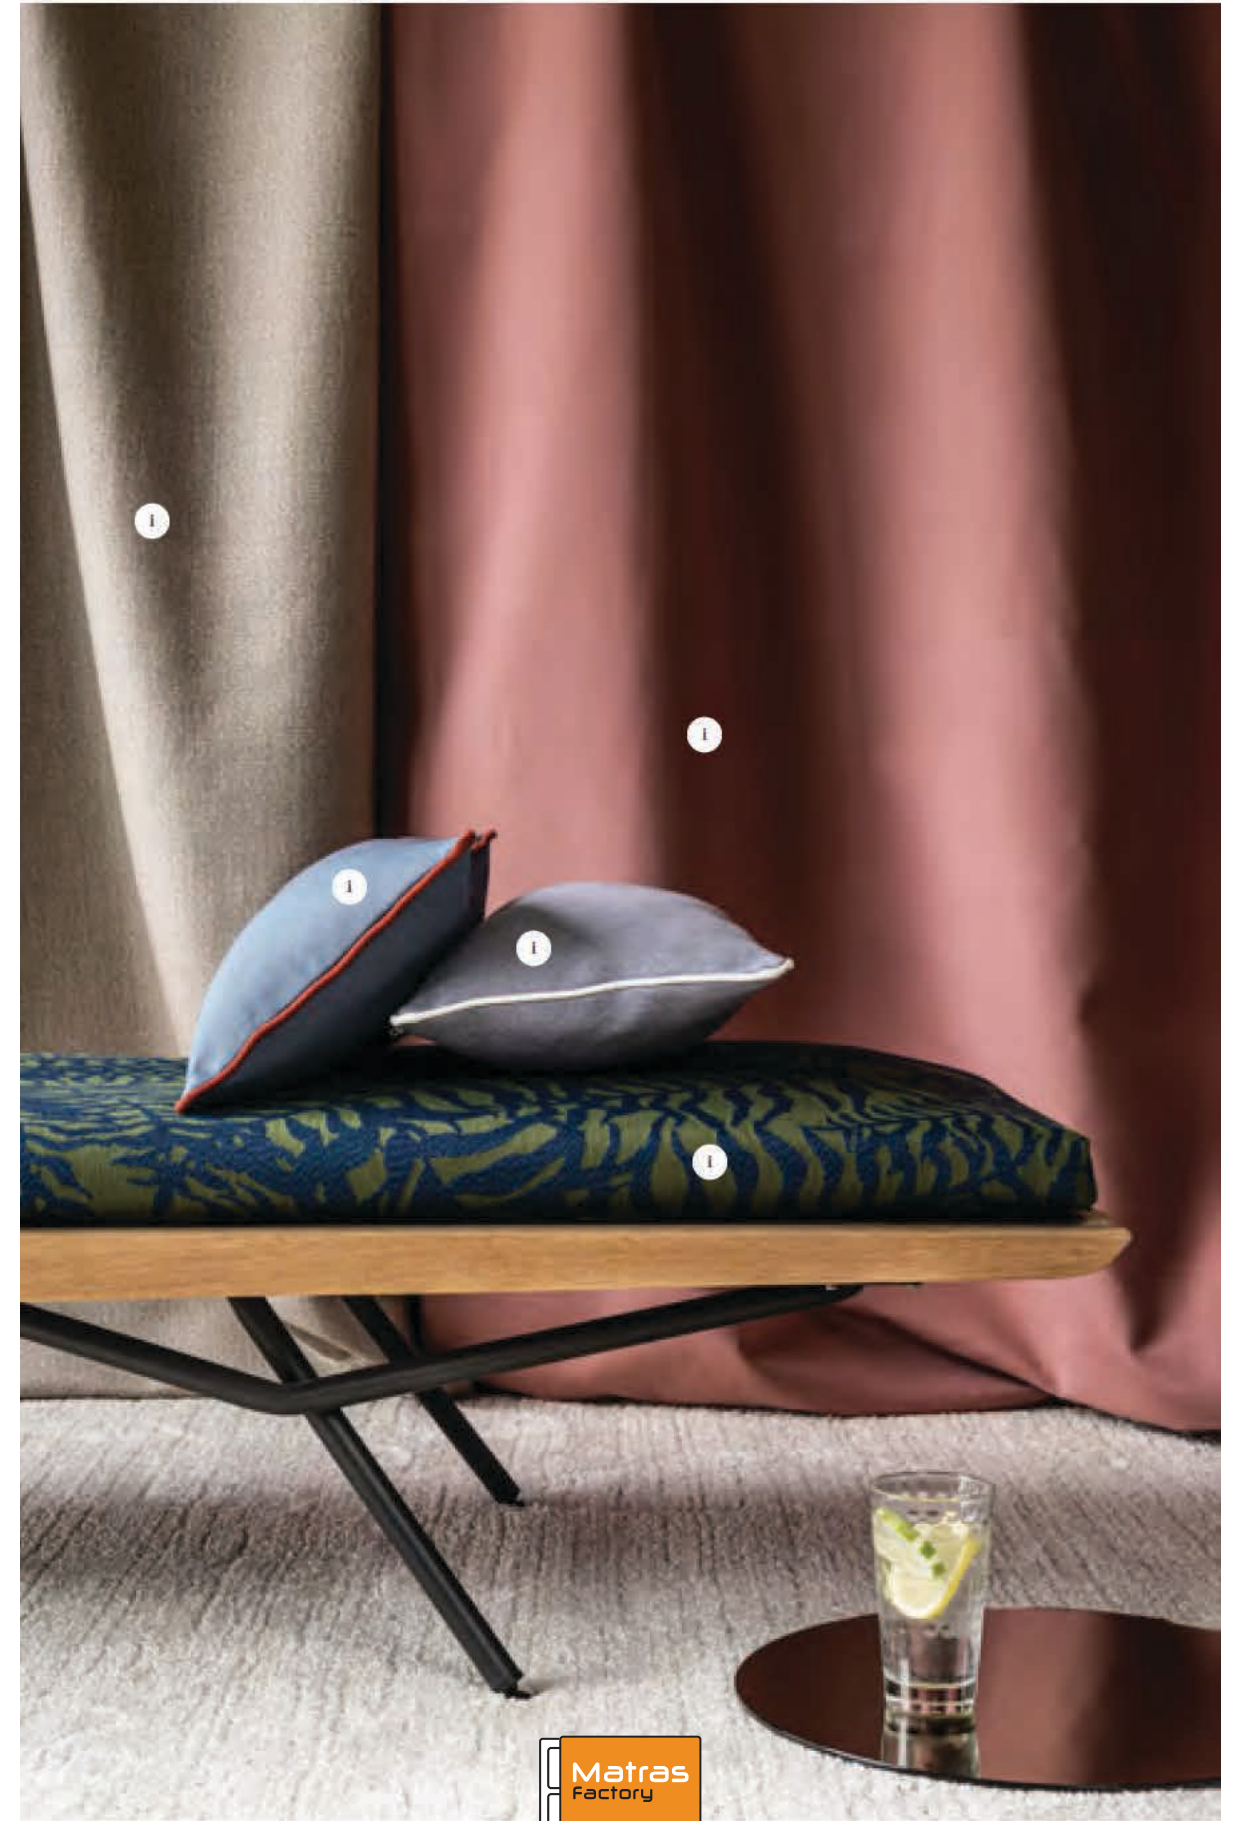

Een spectaculaire jacquard met een schaduwspel van bladeren.

This upholstery fabric made of 50% virgin fibres and 50% recycled fibres reflects our commitment to the environment. Colourful fibre ends from the process of reusing the primary material may appear in the weave and vary the fabric colour from one batch to another. This creates a unique fabric with a natural look and vintage charm.
